Welcome

Welcome to this first edition of the BULA European Beach Ultimate Club Championships!

On behalf of our club, Bravas - Asociación Deportiva de Ultimate Castelldefels, I can say that we are very proud to have received the trust from BULA to organize this event. Our objective is to make it successful and to confirm that Castelldefels was the right choice and also to pave the way for future editions of these championships.

This year our club is celebrating its 20th anniversary and although we have constantly been organizing beach ultimate events - mostly Spanish national championships and our international tournaments Porró Open and Cremas Beach Challenge - we have never organized such a large event. We hope this will be a great celebration for us.

Finally I would like to thank the organizing team for the hard work they put in the preparation of these championships, the volunteers for the hard work they will put during the event and the municipality of Castelldefels for helping us.

Hope you will enjoy our beach !

Nicolas Chauveau
President - Federación Española del Disco Volador
President - Bravas, Asociación Deportiva de Ultimate Castelldefels

Welcome teams, players, coaches, guests, volunteers, staff, and partners!

On behalf of BULA I am delighted to welcome you to this inaugural European championship. Beach Ultimate has been growing rapidly in Europe and I am thrilled to help quench the desire of teams and players who want to play top level Beach Ultimate with national champions from 19 countries!

BULA is committed to keeping the sport fully self-refereed so we are counting on the players to stay true to the five principles of Spirit of the Game: know the rules, avoid body contact, be fair-minded, communicate respectfully, and have fun!

With that in place, Beach Ultimate remains a spectacular sport for women and men and that has the potential to be the showcase in the world of sports.

See you on the beach!

Patrick van der Valk
President and CEO – BULA

Beach Ultimate is a fast growing and exciting sport. Teams of 5 players try to score points by receiving the flying disc (Frisbee) in the endzone of the opponent (similar to American Football).

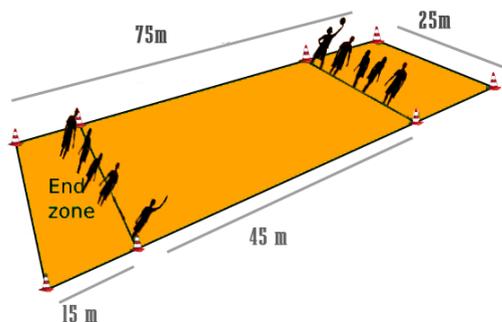

Movement of the disc and the players

The disc can be thrown from one player to another in any direction. A player may not run with the disc in hand. The person with the disc in hand has 10 seconds to throw the disc to a teammate.

Change of possession

A turnover (i.e. defense takes possession of the disc and becomes offense) results whenever one of the following items occur:

- the disc touches the ground (also when first touched by the defense)
- the disc is caught outside the field (line is out)
- the disc is intercepted by an opposing player

Scoring

A goal, worth 1 point, is scored when a player throws the disc to a teammate and it is successfully caught in the endzone of the other team. Games are 45 minutes or until a team reaches 13 points

Player substitutions

A player can only be substituted after a score was made and the teams are lining up, or if a player is injured. No other substitutions can take place while the point is in progress.

Non-contact

Beach Ultimate is a non-contact sport and when a player initiates contact on another player a foul is committed.

Self-Refereeing

All fouls are called by the player(s) involved. When a foul results in loss of possession, the play is stopped and resumed as if possession was not lost. If the player committing the foul disagrees with the foul call, the play is redone.

SPIRIT OF THE GAME

Spirit of the Game

Beach Ultimate is about sportsmanship and fair play. Competitive play is encouraged, but never at the expense of respect between players, adherence to the rules, or the basic joy of play.

The European Championships are comprised of round robin pool play, with 4 pools of four teams, for each division. All teams participating are Beach Ultimate champions of their country, or in a few cases the runners up. Teams were seeded based on final standings of the 2017 World Championships of Beach Ultimate for national teams in Royan, France.

The playoff system includes Pre-Quarters, Quarter-finals, Semi-finals and Finals/Placement games. The crossover round (Pre-Quarter) involves all teams and is aimed at correcting potential seeding errors.

These European Championships aim to be different. Based on research carried out into why people compete in international ultimate tournaments – we found, among many other things, that one of the key things missing in most tournaments is the availability of good quality food...at a reasonable price.

Therefore we are working with some great providers of food, coffee and refreshments to ensure players are well fed, hydrated and caffeinated throughout the tournament.

FOOD

The wonderful Delhicioso are bringing a choice of four, pre-ordered meals every day. “The taste of home, delivered to your office” – their day job involves catering for Barcelona with a huge variety of healthy, fresh and flavourful recipes from around the globe. Vegan, vegetarian, gluten free and regular preferences have all been taken care of.

They are offering x2 different Poke bowls; Citrus marinated ‘perca mero’ fish with sushi rice & veggies, and Baked falafel with quinoa, kale & tahini sauce. Plus a variety of other dishes, including Moroccan braised chicken and olives with parsley and quinoa, and Feta & olive falafel with apple, spinach & walnut salad with mixed veg couscous or quinoa.

FOOD SERVED BETWEEN 12:00 and 16:00.

COFFEE

Ex-pro cyclist Christian Meier knows what athletes love...and one of those is great coffee! Bringing his own micro-roasted, specialty coffee from the picturesque city of Girona, Approachable Coffee works direct with the farmers allowing them to make a difference “from the root up”.

We are so happy to offer EBUCC 2018 players the chance to enjoy great coffee on the beach.

COFFEE SERVED FROM 07:45 every morning.

REFRESHMENTS

Craft beer specialist and ex-ultimate player Isma Gómez de Pablo will be bringing us his range of excellent craft beers from Cerveza Milana...as well as non-alcoholic refreshments. Players who attended ECBU 2013 in Calafell, Spain, would have tried their beer already. All players, volunteers, and registered guests will receive a refillable Milana cup in their player pack as the event will not be using any single-use plastics.
